## News Release

8/29/01

### STD to ISA Bus Adapter

Sensoray Company has developed a low cost STD to ISA bus adapter. The Model 422 connects an STD bus computer to an ISA slot in a desktop PC and uses parallel RS-422 signals to achieve high noise immunity. It is supplied with 1 meter interconnecting cables, STD and ISA boards. The Model 422 is available now for \$180 for quantities of 1.
